

## BLENDING LEARNING ACTIVITIES

### INTERACTION 1

Role-play the following conversation with your partner:

#### **Student A:**

You are planning your family summer holidays in Australia. You are reading some travellers' hotel reviews on TripAdvisor, but you can't find what you are looking for: a family hotel offering a full range of indoor and outdoor activities.

Finally, you decide to talk with your a friend since he /she stayed with his/her family in a hotel in Sydney last summer. Ask your friend questions about the following information:

- hotel name
- type of accommodation
- type of room they stayed in
- means of transport they used
- leisure activities they enjoyed

#### **Student B:**

You stayed with your family in the Four Seasons Hotel in Sydney, Australia last summer.

Your friend is planning his/her family summer holidays in Australia.

He/she'd like to talk with you because your friend can't find what he/she is looking for: a family hotel offering a full range of indoor and outdoor activities. Be ready to answer your friend's questions about the following information:

- hotel name
- type of accommodation
- type of room you stayed in
- means of transport you used
- leisure activities you enjoyed

**Talk between 3 and 4 minutes**
